

## Flambeau River – Ladysmith to Thornapple Dam (11 miles)

*Easy paddling trip*

Variety of scenery and fantastic fishing characterize this five-hour trip downstream from Memorial Park in Ladysmith to the take-out at the Thornapple Dam. Trip includes a portage around the dam in Ladysmith.

## Flambeau River – Thornapple Dam to Chippewa River (8.5 miles)

*Quick, three-hour trip perfect for beginners*

The put-in is the Thornapple Dam. A small rapids in the first mile gives way to two miles of calm water. Upstream of Pine Island, you'll find a small set of rapids. Take the left channel around the island and enjoy five more miles of calm water as you paddle downstream towards the confluence and the take-out at Flater's Resort, just upstream from the Forks.
